# 2024 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Toms River FD No. 2

**FISCAL YEAR: January 1, 2024 to December 31, 2024**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. When is the Fire District's annual election? (February and/or November)  
If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2024 proposed Annual Budget and make comparison to the 2023 adopted budget.

The proposed budget of \$4,458,026.53 is \$278,853.10 or 6.7% higher than the prior year's budget.

3. **Explain any variances over +/-10% for each line item.** Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

While the use of overall fund balance only increased by 6.2%, a significantly higher amount of restricted fund balance was use to offset the capital items approved at the Fire District Election of 2/18/23 and a significantly lesser amount of unrestricted fund balance was used as the balancing figure to make the budget revenues and appropriations equal. The

amount anticipated for interest on investments and deposits has been increased significantly for two reasons; first, the banks are paying interest at a much higher rate than in the previous year and second, because the District had significantly more available cash for investment.

The amount budgeted for LOSAP decreased by \$100,000.00 or 33.3% from the previous year. This is because the District switched from a defined benefit plan to a defined contribution plan during 2023. In addition, there was a very slight decrease in the number of participating volunteer members.

Capital appropriations increased by \$331,122.00 or 64.3% over the prior year, \$171,122.00 of this increase represents items approved at the Fire District Election of 2/18/23. Salaries and wages are increasing by \$27,500.00 or 15.9% as a result anticipated salary increases and the replacment of a part-time employee with a full-time employee. Other Administration Expenses and Other Operations & Maintenance items such as office equipment maintenance, conferences insurance and supplies increased due to increased needs, the current market rate of inflation and increases in insurance premiums. Communications decreased by \$53,131.90 or 10.9% due non-recurring items in the current years that were budgeted for in the prior year.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The 2024 budget amount to be raised by taxation increased by \$203,616.23 or 5.6% over the 2023 amount. The local fire tax rate is estimated to be 0.052 per \$100 of assessed valuation as compared with 0.049 per \$100 for the year 2023. While the use of overall fund balance only increased by 6.2%, a significantly higher amount of restricted fund balance was use to offset the capital items approved at the Fire District Election of 2/18/23 and a significantly lesser amount of unrestricted fund balance was used as the balancing figure to make the budget revenues and appropriations equal. The District does not anticipate any impact on the following year's budget as its' fund balances remain sufficient.

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.
